About

DIMS 2024

DIMS 2024 stands as a significant global gathering, offering a premier platform for networking among professionals across the marine, offshore and Oil & Gas sectors. With a focused theme of 'Navigating the Future of the Indian Maritime Industry', this two-day event serves as a catalyst for advancing India towards becoming a prominent global maritime hub. By uniting experts from shipyards, Navy & Coast Guard, equipment suppliers, engineering consultancies, and governmental entities, it aims to foster innovation and collaboration towards this transformative goal
